Title 17: Commodity and Securities Exchanges

PART 230—GENERAL RULES AND REGULATIONS, SECURITIES ACT OF 1933

§230.506 Exemption for limited offers and sales without regard to dollar amount of offering.

(a) *Exemption.* Offers and sales of securities by an issuer that satisfy the conditions in paragraph (b) or (c) of this section shall be deemed to be transactions not involving any public offering within the meaning of section 4(a)(2) of the Act.

(b) *Conditions to be met in offerings subject to limitation on manner of offering—(1) General conditions.* To qualify for an exemption under this section, offers and sales must satisfy all the terms and conditions of §§230.501 and 230.502.

(2) *Specific conditions—(i) Limitation on number of purchasers.* There are no more than or the issuer reasonably believes that there are no more than 35 purchasers of securities from the issuer in any offering under this section.

NOTE TO PARAGRAPH (b)(2)(i): See §230.501(e) for the calculation of the number of purchasers and §230.502(a) for what may or may not constitute an offering under paragraph (b) of this section.

(ii) *Nature of purchasers.* Each purchaser who is not an accredited investor either alone or with his purchaser representative(s) has such knowledge and experience in financial and business matters that he is capable of evaluating the merits and risks of the prospective investment, or the issuer reasonably believes immediately prior to making any sale that such purchaser comes within this description.

(c) *Conditions to be met in offerings not subject to limitation on manner of offering—(1) General conditions.* To qualify for exemption under this section, sales must satisfy all the terms and conditions of §§230.501 and 230.502(a) and (d).

(2) *Specific conditions—(i) Nature of purchasers.* All purchasers of securities sold in any offering under paragraph (c) of this section are accredited investors.

(ii) *Verification of accredited investor status.* The issuer shall take reasonable steps to verify that purchasers of securities sold in any offering under paragraph (c) of this section are accredited investors. The issuer shall be deemed to take reasonable steps to verify if the issuer uses, at its option, one of the following non-exclusive and non-mandatory methods of verifying that a natural person who purchases securities in such offering is an accredited investor; provided, however, that the issuer does not have knowledge that such person is not an accredited investor:

(A) In regard to whether the purchaser is an accredited investor on the basis of income, reviewing any Internal Revenue Service form that reports the purchaser's income for the two most recent years (including, but not limited to, Form W-2, Form 1099, Schedule K-1 to Form 1065, and Form 1040) and obtaining a written representation from the purchaser that he or she has a reasonable expectation of reaching the income level necessary to qualify as an accredited investor during the current year;

(B) In regard to whether the purchaser is an accredited investor on the basis of net worth, reviewing one or more of the following types of documentation dated within the prior three months and obtaining a written representation from the purchaser that all liabilities necessary to make a determination of net worth have been disclosed:

(1) With respect to assets: Bank statements, brokerage statements and other statements of securities holdings, certificates of deposit, tax assessments, and appraisal reports issued by independent third parties; and

(2) With respect to liabilities: A consumer report from at least one of the nationwide consumer reporting agencies; or

(C) Obtaining a written confirmation from one of the following persons or entities that such person or entity has taken reasonable steps to verify that the purchaser is an accredited investor within the prior three months and has determined that such purchaser is an accredited investor:

(1) A registered broker-dealer;

(2) An investment adviser registered with the Securities and Exchange Commission;

(3) A licensed attorney who is in good standing under the laws of the jurisdictions in which he or she is admitted to practice law; or

(4) A certified public accountant who is duly registered and in good standing under the laws of the place of his or her residence or principal office.

(D) In regard to any person who purchased securities in an issuer's Rule 506(b) offering as an accredited investor prior to September 23, 2013 and continues to hold such securities, for the same issuer's Rule 506(c) offering, obtaining a certification by such person at the time of sale that he or she qualifies as an accredited investor.

Instructions to paragraph (c)(2)(ii)(A) through (D) of this section:

1. The issuer is not required to use any of these methods in verifying the accredited investor status of natural persons who are purchasers. These methods are examples of the types of non-exclusive and non-mandatory methods that satisfy the verification requirement in §230.506(c)(2)(ii).

2. In the case of a person who qualifies as an accredited investor based on joint income with that person's spouse, the issuer would be deemed to satisfy the verification requirement in §230.506(c)(2)(ii)(A) by reviewing copies of Internal Revenue Service forms that report income for the two most recent years in regard to, and obtaining written representations from, both the person and the spouse.

3. In the case of a person who qualifies as an accredited investor based on joint net worth with that person's spouse, the issuer would be deemed to satisfy the verification requirement in §230.506(c)(2)(ii)(B) by reviewing such documentation in regard to, and obtaining written representations from, both the person and the spouse.

(d) *"Bad Actor" disqualification.* (1) No exemption under this section shall be available for a sale of securities if the issuer; any predecessor of the issuer; any affiliated issuer; any director, executive officer, other officer participating in the offering, general partner or managing member of the issuer; any beneficial owner of 20% or more of the issuer's outstanding voting equity securities, calculated on the basis of voting power; any promoter connected with the issuer in any capacity at the time of such sale; any investment manager of an issuer that is a pooled investment fund; any person that has been or will be paid (directly or indirectly) remuneration for solicitation of purchasers in connection with such sale of securities; any general partner or managing member of any such investment manager or solicitor; or any director, executive officer or other officer participating in the offering of any such investment manager or solicitor or general partner or managing member of such investment manager or solicitor:

(i) Has been convicted, within ten years before such sale (or five years, in the case of issuers, their predecessors and affiliated issuers), of any felony or misdemeanor:

(A) In connection with the purchase or sale of any security;

(B) Involving the making of any false filing with the Commission; or

(C) Arising out of the conduct of the business of an underwriter, broker, dealer, municipal securities dealer, investment adviser or paid solicitor of purchasers of securities;

(ii) Is subject to any order, judgment or decree of any court of competent jurisdiction, entered within five years before such sale, that, at the time of such sale, restrains or enjoins such person from engaging or continuing to engage in any conduct or practice:

(A) In connection with the purchase or sale of any security;

(B) Involving the making of any false filing with the Commission; or

(C) Arising out of the conduct of the business of an underwriter, broker, dealer, municipal securities dealer, investment adviser or paid solicitor of purchasers of securities;

(iii) Is subject to a final order of a state securities commission (or an agency or officer of a state performing like functions); a state authority that supervises or examines banks, savings associations, or credit unions; a state insurance commission (or an agency or officer of a state performing like functions); an appropriate federal banking agency; the U.S. Commodity Futures Trading Commission; or the National Credit Union Administration that:

(A) At the time of such sale, bars the person from:

(1) Association with an entity regulated by such commission, authority, agency, or officer;

(2) Engaging in the business of securities, insurance or banking; or

(3) Engaging in savings association or credit union activities; or

(B) Constitutes a final order based on a violation of any law or regulation that prohibits fraudulent, manipulative, or deceptive conduct entered within ten years before such sale;

(iv) Is subject to an order of the Commission entered pursuant to section 15(b) or 15B(c) of the Securities Exchange Act of 1934 (15 U.S.C. 78o(b) or 78o-4(c)) or section 203(e) or (f) of the Investment Advisers Act of 1940 (15 U.S.C. 80b-3(e) or (f)) that, at the time of such sale:

(A) Suspends or revokes such person's registration as a broker, dealer, municipal securities dealer or investment adviser;

(B) Places limitations on the activities, functions or operations of such person; or

(C) Bars such person from being associated with any entity or from participating in the offering of any penny stock;

(v) Is subject to any order of the Commission entered within five years before such sale that, at the time of such sale, orders the person to cease and desist from committing or causing a violation or future violation of:

(A) Any scienter-based anti-fraud provision of the federal securities laws, including without limitation section 17(a)(1) of the Securities Act of 1933 (15 U.S.C. 77q(a)(1)), section 10(b) of the Securities Exchange Act of 1934 (15 U.S.C. 78j(b)) and 17 CFR 240.10b-5, section 15(c)(1) of the Securities Exchange Act of 1934 (15 U.S.C. 78o(c)(1)) and section 206(1) of the Investment Advisers Act of 1940 (15 U.S.C. 80b-6(1)), or any other rule or regulation thereunder; or

(B) Section 5 of the Securities Act of 1933 (15 U.S.C. 77e).

(vi) Is suspended or expelled from membership in, or suspended or barred from association with a member of, a registered national securities exchange or a registered national or affiliated securities association for any act or omission to act constituting conduct inconsistent with just and equitable principles of trade;

(vii) Has filed (as a registrant or issuer), or was or was named as an underwriter in, any registration statement or Regulation A offering statement filed with the Commission that, within five years before such sale, was the subject of a refusal order, stop order, or order suspending the Regulation A exemption, or is, at the time of such sale, the subject of an investigation or proceeding to determine whether a stop order or suspension order should be issued; or

(viii) Is subject to a United States Postal Service false representation order entered within five years before such sale, or is, at the time of such sale, subject to a temporary restraining order or preliminary injunction with respect to conduct alleged by the United States Postal Service to constitute a scheme or device for obtaining money or property through the mail by means of false representations.

(2) Paragraph (d)(1) of this section shall not apply:

(i) With respect to any conviction, order, judgment, decree, suspension, expulsion or bar that occurred or was issued before September 23, 2013;

(ii) Upon a showing of good cause and without prejudice to any other action by the Commission, if the Commission determines that it is not necessary under the circumstances that an exemption be denied;

(iii) If, before the relevant sale, the court or regulatory authority that entered the relevant order, judgment or decree advises in writing (whether contained in the relevant judgment, order or decree or separately to the Commission or its staff) that disqualification under paragraph (d)(1) of this section should not arise as a consequence of such order, judgment or decree; or

(iv) If the issuer establishes that it did not know and, in the exercise of reasonable care, could not have known that a disqualification existed under paragraph (d)(1) of this section.

Instruction to paragraph (d)(2)(iv). An issuer will not be able to establish that it has exercised reasonable care unless it has made, in light of the circumstances, factual inquiry into whether any disqualifications exist. The nature and scope of the factual inquiry will vary based on the facts and circumstances concerning, among other things, the issuer and the other offering participants.

(3) For purposes of paragraph (d)(1) of this section, events relating to any affiliated issuer that occurred before the affiliation arose will be not considered disqualifying if the affiliated entity is not:

(i) In control of the issuer; or

(ii) Under common control with the issuer by a third party that was in control of the affiliated entity at the time of such events.

(e) *Disclosure of prior "bad actor" events.* The issuer shall furnish to each purchaser, a reasonable time prior to sale, a description in writing of any matters that would have triggered disqualification under paragraph (d)(1) of this section but occurred before September 23, 2013. The failure to furnish such information timely shall not prevent an issuer from relying on this section if the issuer establishes that it did not know and, in the exercise of reasonable care, could not have known of the existence of the undisclosed matter or matters.

Instruction to paragraph (e). An issuer will not be able to establish that it has exercised reasonable care unless it has made, in light of the circumstances, factual inquiry into whether any disqualifications exist. The nature and scope of the factual inquiry will vary based on the facts and circumstances concerning, among other things, the issuer and the other offering participants.

Title 17: Commodity and Securities Exchanges

[PART 230—GENERAL RULES AND REGULATIONS, SECURITIES ACT OF 1933](#)

§230.501 Definitions and terms used in Regulation D.

As used in Regulation D (§230.500 *et seq.* of this chapter), the following terms shall have the meaning indicated:

(a) **Accredited investor.** *Accredited investor* shall mean any person who comes within any of the following categories, or who the issuer reasonably believes comes within any of the following categories, at the time of the sale of the securities to that person:

(1) Any bank as defined in section 3(a)(2) of the Act, or any savings and loan association or other institution as defined in section 3(a)(5)(A) of the Act whether acting in its individual or fiduciary capacity; any broker or dealer registered pursuant to section 15 of the Securities Exchange Act of 1934; any insurance company as defined in section 2(a)(13) of the Act; any investment company registered under the Investment Company Act of 1940 or a business development company as defined in section 2(a)(48) of that Act; any Small Business Investment Company licensed by the U.S. Small Business Administration under section 301(c) or (d) of the Small Business Investment Act of 1958; any plan established and maintained by a state, its political subdivisions, or any agency or instrumentality of a state or its political subdivisions, for the benefit of its employees, if such plan has total assets in excess of \$5,000,000; any employee benefit plan within the meaning of the Employee Retirement Income Security Act of 1974 if the investment decision is made by a plan fiduciary, as defined in section 3(21) of such act, which is either a bank, savings and loan association, insurance company, or registered investment adviser, or if the employee benefit plan has total assets in excess of \$5,000,000 or, if a self-directed plan, with investment decisions made solely by persons that are accredited investors;

(2) Any private business development company as defined in section 202(a)(22) of the Investment Advisers Act of 1940;

(3) Any organization described in section 501(c)(3) of the Internal Revenue Code, corporation, Massachusetts or similar business trust, or partnership, not formed for the specific purpose of acquiring the securities offered, with total assets in excess of \$5,000,000;

(4) Any director, executive officer, or general partner of the issuer of the securities being offered or sold, or any director, executive officer, or general partner of a general partner of that issuer;

(5) Any natural person whose individual net worth, or joint net worth with that person's spouse, exceeds \$1,000,000.

(i) Except as provided in paragraph (a)(5)(ii) of this section, for purposes of calculating net worth under this paragraph (a)(5):

(A) The person's primary residence shall not be included as an asset;

(B) Indebtedness that is secured by the person's primary residence, up to the estimated fair market value of the primary residence at the time of the sale of securities, shall not be included as a liability (except that if the amount of such indebtedness outstanding at the time of sale of securities exceeds the amount outstanding 60 days before such time, other than as a result of the acquisition of the primary residence, the amount of such excess shall be included as a liability); and

(C) Indebtedness that is secured by the person's primary residence in excess of the estimated fair market value of the primary residence at the time of the sale of securities shall be included as a liability;

(ii) Paragraph (a)(5)(i) of this section will not apply to any calculation of a person's net worth made in connection with a purchase of securities in accordance with a right to purchase such securities, provided that:

(A) Such right was held by the person on July 20, 2010;

(B) The person qualified as an accredited investor on the basis of net worth at the time the person acquired such right; and

(C) The person held securities of the same issuer, other than such right, on July 20, 2010.

(6) Any natural person who had an individual income in excess of \$200,000 in each of the two most recent years or joint income with that person's spouse in excess of \$300,000 in each of those years and has a reasonable expectation of reaching the same income level in the current year;

(7) Any trust, with total assets in excess of \$5,000,000, not formed for the specific purpose of acquiring the securities offered, whose purchase is directed by a sophisticated person as described in §230.506(b)(2)(ii); and

(8) Any entity in which all of the equity owners are accredited investors.

(b) *Affiliate*. An *affiliate* of, or person *affiliated* with, a specified person shall mean a person that directly, or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with, the person specified.

(c) *Aggregate offering price*. *Aggregate offering price* shall mean the sum of all cash, services, property, notes, cancellation of debt, or other consideration to be received by an issuer for issuance of its securities. Where securities are being offered for both cash and non-cash consideration, the aggregate offering price shall be based on the price at which the securities are offered for cash. Any portion of the aggregate offering price attributable to cash received in a foreign currency shall be translated into United States currency at the currency exchange rate in effect at a reasonable time prior to or on the date of the sale of the securities. If securities are not offered for cash, the aggregate offering price shall be based on the value of the consideration as established by bona fide sales of that consideration made within a reasonable time, or, in the absence of sales, on the fair value as determined by an accepted standard. Such valuations of non-cash consideration must be reasonable at the time made.

(d) *Business combination*. *Business combination* shall mean any transaction of the type specified in paragraph (a) of Rule 145 under the Act (17 CFR 230.145) and any transaction involving the acquisition by one issuer, in exchange for all or a part of its own or its parent's stock, of stock of another issuer if, immediately after the acquisition, the acquiring issuer has control of the other issuer (whether or not it had control before the acquisition).

(e) *Calculation of number of purchasers*. For purposes of calculating the number of purchasers under § 230.506(b) and 230.506(b) only, the following shall apply:

(1) The following purchasers shall be excluded:

(i) Any relative, spouse or relative of the spouse of a purchaser who has the same primary residence as the purchaser;

(ii) Any trust or estate in which a purchaser and any of the persons related to him as specified in paragraph (e)(1)(i) or (e)(1)(iii) of this section collectively have more than 50 percent of the beneficial interest (excluding contingent interests);

(iii) Any corporation or other organization of which a purchaser and any of the persons related to him as specified in paragraph (e)(1)(i) or (e)(1)(ii) of this section collectively are beneficial owners of more than 50 percent of the equity securities (excluding directors' qualifying shares) or equity interests; and

(iv) Any accredited investor.

(2) A corporation, partnership or other entity shall be counted as one purchaser. If, however, that entity is organized for the specific purpose of acquiring the securities offered and is not an accredited investor under paragraph (a)(8) of this section, then each beneficial owner of equity securities or equity interests in the entity shall count as a separate purchaser for all provisions of Regulation D (§§230.501-230.508), except to the extent provided in paragraph (e)(1) of this section.

(3) A non-contributory employee benefit plan within the meaning of Title I of the Employee Retirement Income Security Act of 1974 shall be counted as one purchaser where the trustee makes all investment decisions for the plan.

NOTE: The issuer must satisfy all the other provisions of Regulation D for all purchasers whether or not they are included in calculating the number of purchasers. Clients of an investment adviser or customers of a broker or dealer shall be considered the "purchasers" under Regulation D regardless of the amount of discretion given to the investment adviser or broker or dealer to act on behalf of the client or customer.

(f) *Executive officer*. *Executive officer* shall mean the president, any vice president in charge of a principal business unit, division or function (such as sales, administration or finance), any other officer who performs a policy making function, or any other person who performs similar policy making functions for the issuer. Executive officers of subsidiaries may be deemed executive officers of the issuer if they perform such policy making functions for the issuer.

(g) *Final order*. *Final order* shall mean a written directive or declaratory statement issued by a federal or state agency described in §230.506(d)(1)(iii) under applicable statutory authority that provides for notice and an opportunity for hearing, which constitutes a final disposition or action by that federal or state agency.

(h) *Issuer*. The definition of the term *issuer* in section 2(a)(4) of the Act shall apply, except that in the case of a proceeding

under the Federal Bankruptcy Code (11 U.S.C. 101 *et seq.*), the trustee or debtor in possession shall be considered the issuer in an offering under a plan or reorganization, if the securities are to be issued under the plan.

(i) *Purchaser representative.* *Purchaser representative* shall mean any person who satisfies all of the following conditions or who the issuer reasonably believes satisfies all of the following conditions:

(1) Is not an affiliate, director, officer or other employee of the issuer, or beneficial owner of 10 percent or more of any class of the equity securities or 10 percent or more of the equity interest in the issuer, except where the purchaser is:

(i) A relative of the purchaser representative by blood, marriage or adoption and not more remote than a first cousin;

(ii) A trust or estate in which the purchaser representative and any persons related to him as specified in paragraph (h)(1)(i) or (h)(1)(iii) of this section collectively have more than 50 percent of the beneficial interest (excluding contingent interest) or of which the purchaser representative serves as trustee, executor, or in any similar capacity; or

(iii) A corporation or other organization of which the purchaser representative and any persons related to him as specified in paragraph (h)(1)(i) or (h)(1)(ii) of this section collectively are the beneficial owners of more than 50 percent of the equity securities (excluding directors' qualifying shares) or equity interests;

(2) Has such knowledge and experience in financial and business matters that he is capable of evaluating, alone, or together with other purchaser representatives of the purchaser, or together with the purchaser, the merits and risks of the prospective investment;

(3) Is acknowledged by the purchaser in writing, during the course of the transaction, to be his purchaser representative in connection with evaluating the merits and risks of the prospective investment; and

(4) Discloses to the purchaser in writing a reasonable time prior to the sale of securities to that purchaser any material relationship between himself or his affiliates and the issuer or its affiliates that then exists, that is mutually understood to be contemplated, or that has existed at any time during the previous two years, and any compensation received or to be received as a result of such relationship.

NOTE 1 TO §230.501: A person acting as a purchaser representative should consider the applicability of the registration and antifraud provisions relating to brokers and dealers under the Securities Exchange Act of 1934 (*Exchange Act*) (15 U.S.C. 78a *et seq.*, as amended) and relating to investment advisers under the Investment Advisers Act of 1940.

NOTE 2 TO §230.501: The acknowledgment required by paragraph (h)(3) and the disclosure required by paragraph (h)(4) of this section must be made with specific reference to each prospective investment. Advance blanket acknowledgment, such as for *all securities transactions* or *all private placements*, is not sufficient.

NOTE 3 TO §230.501: Disclosure of any material relationships between the purchaser representative or his affiliates and the issuer or its affiliates does not relieve the purchaser representative of his obligation to act in the interest of the purchaser.

§230.502 General conditions to be met.

The following conditions shall be applicable to offers and sales made under Regulation D (§230.500 *et seq.* of this chapter):

(a) *Integration.* All sales that are part of the same Regulation D offering must meet all of the terms and conditions of Regulation D. Offers and sales that are made more than six months before the start of a Regulation D offering or are made more than six months after completion of a Regulation D offering will not be considered part of that Regulation D offering, so long as during those six month periods there are no offers or sales of securities by or for the issuer that are of the same or a similar class as those offered or sold under Regulation D, other than those offers or sales of securities under an employee benefit plan as defined in rule 405 under the Act (17 CFR 230.405).

NOTE: The term *offering* is not defined in the Act or in Regulation D. If the issuer offers or sells securities for which the safe harbor rule in paragraph (a) of this §230.502 is unavailable, the determination as to whether separate sales of securities are part of the same offering (*i.e.*, are considered *integrated*) depends on the particular facts and circumstances. Generally, transactions otherwise meeting the requirements of an exemption will not be integrated with simultaneous offerings being made outside the United States in compliance with Regulation S. See Release No. 33-6863.

The following factors should be considered in determining whether offers and sales should be integrated for purposes of the exemptions under Regulation D:

- (a) Whether the sales are part of a single plan of financing;
- (b) Whether the sales involve issuance of the same class of securities;
- (c) Whether the sales have been made at or about the same time;
- (d) Whether the same type of consideration is being received; and
- (e) Whether the sales are made for the same general purpose.

See Release 33-4552 (November 6, 1962) [27 FR 11316].

(b) Information requirements—(1) When information must be furnished. If the issuer sells securities under §230.506(b) to any purchaser that is not an accredited investor, the issuer shall furnish the information specified in paragraph (b)(2) of this section to such purchaser a reasonable time prior to sale. The issuer is not required to furnish the specified information to purchasers when it sells securities under §230.504, or to any accredited investor.

NOTE: When an issuer provides information to investors pursuant to paragraph (b)(1), it should consider providing such information to accredited investors as well, in view of the anti-fraud provisions of the federal securities laws.

(2) Type of information to be furnished. (i) If the issuer is not subject to the reporting requirements of section 13 or 15(d) of the Exchange Act, at a reasonable time prior to the sale of securities the issuer shall furnish to the purchaser, to the extent material to an understanding of the issuer, its business and the securities being offered:

(A) Non-financial statement information. If the issuer is eligible to use Regulation A (§230.251-263), the same kind of information as would be required in Part II of Form 1-A (§239.90 of this chapter). If the issuer is not eligible to use Regulation A, the same kind of information as required in Part I of a registration statement filed under the Securities Act on the form that the issuer would be entitled to use.

(B) Financial statement information—(1) Offerings up to \$2,000,000. The information required in Article 8 of Regulation S-X (§210.8 of this chapter), except that only the issuer's balance sheet, which shall be dated within 120 days of the start of the offering, must be audited.

(2) Offerings up to \$7,500,000. The financial statement information required in Form S-1 (§239.10 of this chapter) for smaller reporting companies. If an issuer, other than a limited partnership, cannot obtain audited financial statements without unreasonable effort or expense, then only the issuer's balance sheet, which shall be dated within 120 days of the start of the offering, must be audited. If the issuer is a limited partnership and cannot obtain the required financial statements without unreasonable effort or expense, it may furnish financial statements that have been prepared on the basis of Federal income tax requirements and examined and reported on in accordance with generally accepted auditing standards by an independent public or certified accountant.

(3) Offerings over \$7,500,000. The financial statement as would be required in a registration statement filed under the Act on the form that the issuer would be entitled to use. If an issuer, other than a limited partnership, cannot obtain audited financial statements without unreasonable effort or expense, then only the issuer's balance sheet, which shall be dated within 120 days of the start of the offering, must be audited. If the issuer is a limited partnership and cannot obtain the required financial statements without unreasonable effort or expense, it may furnish financial statements that have been prepared on the basis of Federal income tax requirements and examined and reported on in accordance with generally accepted auditing standards by an independent public or certified accountant.

(C) If the issuer is a foreign private issuer eligible to use Form 20-F (§249.220f of this chapter), the issuer shall disclose the same kind of information required to be included in a registration statement filed under the Act on the form that the issuer would be entitled to use. The financial statements need be certified only to the extent required by paragraph (b)(2)(i) (B) (1), (2) or (3) of this section, as appropriate.

(ii) If the issuer is subject to the reporting requirements of section 13 or 15(d) of the Exchange Act, at a reasonable time prior to the sale of securities the issuer shall furnish to the purchaser the information specified in paragraph (b)(2)(ii)(A) or (B) of this section, and in either event the information specified in paragraph (b)(2)(ii)(C) of this section:

(A) The issuer's annual report to shareholders for the most recent fiscal year, if such annual report meets the requirements of Rules 14a-3 or 14c-3 under the Exchange Act (§240.14a-3 or §240.14c-3 of this chapter), the definitive proxy statement filed in connection with that annual report, and if requested by the purchaser in writing, a copy of the issuer's most recent Form 10-K (§249.310 of this chapter) under the Exchange Act.

(B) The information contained in an annual report on Form 10-K (§249.310 of this chapter) under the Exchange Act or in a registration statement on Form S-1 (§239.11 of this chapter) or S-11 (§239.18 of this chapter) under the Act or on Form 10

(§249.210 of this chapter) under the Exchange Act, whichever filing is the most recent required to be filed.

(C) The information contained in any reports or documents required to be filed by the issuer under sections 13(a), 14(a), 14(c), and 15(d) of the Exchange Act since the distribution or filing of the report or registration statement specified in paragraphs (b)(2)(ii) (A) or (B), and a brief description of the securities being offered, the use of the proceeds from the offering, and any material changes in the issuer's affairs that are not disclosed in the documents furnished.

(D) If the issuer is a foreign private issuer, the issuer may provide in lieu of the information specified in paragraph (b)(2)(ii) (A) or (B) of this section, the information contained in its most recent filing on Form 20-F or Form F-1 (§239.31 of the chapter).

(iii) Exhibits required to be filed with the Commission as part of a registration statement or report, other than an annual report to shareholders or parts of that report incorporated by reference in a Form 10-K report, need not be furnished to each purchaser that is not an accredited investor if the contents of material exhibits are identified and such exhibits are made available to a purchaser, upon his or her written request, a reasonable time before his or her purchase.

(iv) At a reasonable time prior to the sale of securities to any purchaser that is not an accredited investor in a transaction under §230.506(b), the issuer shall furnish to the purchaser a brief description in writing of any material written information concerning the offering that has been provided by the issuer to any accredited investor but not previously delivered to such unaccredited purchaser. The issuer shall furnish any portion or all of this information to the purchaser, upon his written request a reasonable time prior to his purchase.

(v) The issuer shall also make available to each purchaser at a reasonable time prior to his purchase of securities in a transaction under §230.506(b) the opportunity to ask questions and receive answers concerning the terms and conditions of the offering and to obtain any additional information which the issuer possesses or can acquire without unreasonable effort or expense that is necessary to verify the accuracy of information furnished under paragraph (b)(2) (i) or (ii) of this section.

(vi) For business combinations or exchange offers, in addition to information required by Form S-4 (17 CFR 239.25), the issuer shall provide to each purchaser at the time the plan is submitted to security holders, or, with an exchange, during the course of the transaction and prior to sale, written information about any terms or arrangements of the proposed transactions that are materially different from those for all other security holders. For purposes of this subsection, an issuer which is not subject to the reporting requirements of section 13 or 15(d) of the Exchange Act may satisfy the requirements of Part I.B. or C. of Form S-4 by compliance with paragraph (b)(2)(i) of this §230.502.

(vii) At a reasonable time prior to the sale of securities to any purchaser that is not an accredited investor in a transaction under §230.506(b), the issuer shall advise the purchaser of the limitations on resale in the manner contained in paragraph (d)(2) of this section. Such disclosure may be contained in other materials required to be provided by this paragraph.

(c) *Limitation on manner of offering.* Except as provided in §230.504(b)(1) or §230.506(c), neither the issuer nor any person acting on its behalf shall offer or sell the securities by any form of general solicitation or general advertising, including, but not limited to, the following:

(1) Any advertisement, article, notice or other communication published in any newspaper, magazine, or similar media or broadcast over television or radio; and

(2) Any seminar or meeting whose attendees have been invited by any general solicitation or general advertising; *Provided, however,* that publication by an issuer of a notice in accordance with §230.135c or filing with the Commission by an issuer of a notice of sales on Form D (17 CFR 239.500) in which the issuer has made a good faith and reasonable attempt to comply with the requirements of such form, shall not be deemed to constitute general solicitation or general advertising for purposes of this section; *Provided further,* that, if the requirements of §230.135e are satisfied, providing any journalist with access to press conferences held outside of the United States, to meetings with issuer or selling security holder representatives conducted outside of the United States, or to written press-related materials released outside the United States, at or in which a present or proposed offering of securities is discussed, will not be deemed to constitute general solicitation or general advertising for purposes of this section.

(d) *Limitations on resale.* Except as provided in §230.504(b)(1), securities acquired in a transaction under Regulation D shall have the status of securities acquired in a transaction under section 4(a)(2) of the Act and cannot be resold without registration under the Act or an exemption therefrom. The issuer shall exercise reasonable care to assure that the purchasers of the securities are not underwriters within the meaning of section 2(a)(11) of the Act, which reasonable care may be demonstrated by the following:

(1) Reasonable inquiry to determine if the purchaser is acquiring the securities for himself or for other persons;

(2) Written disclosure to each purchaser prior to sale that the securities have not been registered under the Act and, therefore, cannot be resold unless they are registered under the Act or unless an exemption from registration is available; and

(3) Placement of a legend on the certificate or other document that evidences the securities stating that the securities have not been registered under the Act and setting forth or referring to the restrictions on transferability and sale of the securities.

While taking these actions will establish the requisite reasonable care, it is not the exclusive method to demonstrate such care. Other actions by the issuer may satisfy this provision. In addition, §230.502(b)(2)(vii) requires the delivery of written disclosure of the limitations on resale to investors in certain instances.

(G) The number of non-accredited investors who have invested in the offering, as long as the change does not increase the number to more than 35;

(H) The total number of investors who have invested in the offering; or

(I) The amount of sales commissions, finders' fees or use of proceeds for payments to executive officers, directors or promoters, if the change is a decrease, or if the change, together with all other changes in that amount since the previously filed notice of sales on Form D, does not result in an increase of more than 10%; and

(iii) Annually, on or before the first anniversary of the filing of the notice of sales on Form D or the filing of the most recent amendment to the notice of sales on Form D, if the offering is continuing at that time.

(4) An issuer that files an amendment to a previously filed notice of sales on Form D must provide current information in response to all requirements of the notice of sales on Form D regardless of why the amendment is filed.
